To The Secretary to the Government of Madras

Development Department.

Madras.

Sir,

I have the honour to request the sanction of Government for renewing the wire fencing at the Hagari Agricultural Station.

2. A plan and estimate for Rs.4000/- is enclosed.

3. Provision has been made in the estimate to fence the whole of the eastern block and the three sides of the western block by five strands of barbed wire fixed to iron posts eight feet apart. Ideal fencing has been found to be useless for a boundary fence.

4. The expenditure can be met from the allotment under 34 a-Agriculture-iv Agricultural stations- Non-contract

contingencies- Voted- Petty construction and Repairs."

5. Though I am competent to sanction expenditure up to Rs.5000/- under "Petty Construction and Repairs" the cost of the two items included in the estimate viz. 80 cwts of galvanised barbed wire and 137 cwts of angle iron posts, exceeds my powers of sanction.

I have the honour to be,

Sir,

Sir,

With reference to Government Memorandum No.4685-III/29-1 dated 21st November 1929, I have the honour to report that the wire fencing of the Hagari Agricultural Station was previously sanctioned in B.P.No.1994 dated 30th March 1906 at a cost of Rs.5,400/-. It is not possible to reduce the present estimate without detriment to the work which will not be of any use if it is not good. The original expenditure was higher and plain wire and not barbed wire was used.
